Salary Supplement-Jail Personnel

Dear Reader:

The following document was created from the CTAS electronic library known as e-Li. This online library is maintained daily by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other e-Li material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Salary Supplement-Jail Personnel

Reference Number: CTAS-1245

The attorney general has opined that jailers are not entitled to receive the salary supplement provided for in T.C.A. § 38-8-111(a)-(c) because the primary duty of a full-time jailer is the confinement and control of persons held in lawful custody, not the prevention and detection of crime. Only full-time police officers, as defined in T.C.A. § 38-8-101, whose primary responsibility is the prevention and detection of crime, are eligible for the salary supplement provided for in T.C.A. § 38-8-111. Op. Tenn. Atty. Gen. 85-222 (July 29, 1985). See also Op. Tenn. Atty. Gen. 77-235A (July 22, 1977).

However, pursuant to T.C.A. § 38-8-111(d), the county legislative body may by resolution choose by a two-thirds vote of its entire membership to establish a cash supplement along with an in-service training program for certified correction officers employed by the county. Each participating county is required to establish criteria and rules and regulations governing its own program.
