Pilot Program for Assessing Leased Tangible Personal Property

Reference Number: CTAS-1490

Notwithstanding contrary provisions of law, the Comptroller of the Treasury may establish a pilot program for assessing leased tangible personal property to the owner/lessor rather than the lessee. Participation in the program is voluntary, at the election of owner/lessors who are selected by the comptroller to participate based on criteria that optimize savings in the cost of assessment compliance and administration. The comptroller may impose a fee to defray the cost of administration. Participants will be permitted to report leased property centrally in lieu of the schedules otherwise required under T.C.A. § 67-5-903 or T.C.A. § 67-5-904, and the comptroller will be responsible for distributing centrally reported assessments based on situs. Participants may be permitted to claim the business tax credit provided in T.C.A. § 67-4-713 for property taxes paid pursuant to a central assessment, and the credit may be taken at the participant's option either on the return due in the jurisdiction of situs or the jurisdiction from which the lease originated.¹

¹T.C.A. § 67-5-502(e). See 2004 Public Chapter 667.
