Jurisdiction and Duties

The State Board of Equalization has jurisdiction over the valuation, classification and assessment of all properties in the state. The state board is responsible for performing the following duties: (1) receive, hear, consider and act upon complaints and appeals made to the board; (2) hear and determine complaints and appeals made to the board concerning exemption of property from taxation; (3) take whatever steps it deems are necessary to effect the equalization of assessments, in any taxing jurisdiction within the state in accordance with the laws of the state; (4) carry out such other duties as are required by law; and (5) provide assistance and information on request to members and committees of the General Assembly relative to the taxation, classification and evaluation of property.¹ In addition to its responsibility to hear complaints and appeals from actions of local boards of equalization, the state board reviews public utility and common carrier assessments made by the Comptroller of the Treasury.²

²T.C.A. § 67-5-1328.

Appeal to the State Board of Equalization

Reference Number: CTAS-1511

Any taxpayer or property owner who is aggrieved by any action taken by the county board of equalization has the right to a hearing and determination by the State Board of Equalization of any complaint made on any of the grounds set forth in T.C.A. § 67-5-1407.¹ It is a condition for appeal that before the delinquency date the taxpayer either pays the full tax due or the amount the taxpayer would owe based on the taxpayer's good faith claim for relief. On motion of the city or county to whom the tax is owed, the State Board of Equalization will dismiss the appeal of any taxpayer who fails to pay delinquent taxes that have accrued on property that is the subject of the appeal, or who fails to pay at least the undisputed tax related to a properly appealed assessment.²

The Division of Property Assessments has the unconditional right to intervene in any contested case before the State Board of Equalization. This unconditional right to intervene is to be liberally construed in favor of the Division of Property Assessments and the intervention and participation in any contested case before the State Board of Equalization will not be limited in any manner except as otherwise agreed to by the Division of Property Assessments.³

Complaints and appeals to the state board of equalization shall be filed in such format as the board may require by rule, and the board may permit the use of electronic filing including electronic verification and signatures. The taxpayer or owner has the right to withdraw any complaint and appeal at any time before the final order has been entered on the primary issue of the complaint and appeal.⁴ The assessor of property or taxing jurisdiction also has the right to appeal from any action of the local board of equalization to the State Board of Equalization.⁵

Appeals to the State Board of Equalization from action of a local board of equalization must be filed before August 1 of the tax year, or within 45 days of the date notice of the local board action was sent, whichever is later. If notice of an assessment or classification change pursuant to T.C.A. § 67-5-508 was sent to the taxpayer's last known address later than 10 days before the adjournment of the local board of equalization, the taxpayer may appeal directly to the state board at any time within 45 days after the notice was sent. If notice was not sent, the taxpayer may appeal directly to the state board at any time within 45 days after the tax billing date for the assessment. The taxpayer has the right to a hearing and determination to show reasonable cause for the taxpayer's failure to file an appeal as provided in T.C.A. § 67-5-1412 and, upon demonstrating reasonable cause, the state board must accept the appeal from the taxpayer up to March 1 of the year following the year in which the assessment was made.⁶

Appeals to the State Board of Equalization from initial determinations in exemption and tax relief cases must be filed within 90 days from the date notice of the determination was sent. Appeals from initial de-

cisions of administrative judges or hearing examiners for the State Board of Equalization must be filed within 30 days from the date the initial decision is sent.⁷

Any taxpayer aggrieved by a back assessment or reassessment may appeal directly to the State Board of Equalization within 60 days from the date that a copy of the certification is sent to the taxpayer, in the manner provided in T.C.A. § 67-5-1412, and such person may be assisted or represented in the appeal as provided in T.C.A. § 67-5-1514. The accrual of delinquency penalty and interest otherwise applicable is suspended while the appeal is pending, however, simple interest will accrue during the appeal period in the amount provided in T.C.A. § 67-5-1512.⁸

Assistance of Agents

Reference Number: CTAS-1512

Taxpayers and assessors of property are entitled to the assistance of a qualified agent at any conference or hearing held pursuant to T.C.A. § 67-5-1501 *et seq.*, or § 67-5-1401 *et seq.* Furthermore, taxpayers and assessors of property may appear in person, by qualified agent, or, in the case of taxpayers, by a member of the taxpayer's immediate family.¹ All conferences or hearings will be conducted in an informal manner where the primary issue of the complaint, protest or appeal pertains to the grounds set forth in T.C.A. § 67-5-1407.²

The agent must register with the State Board of Equalization, pay a biennial fee of \$200, and qualify on the basis of the following criteria: (1) four years of experience in real property appraisal and/or assessment valuation; (2) successful completion of at least 120 classroom hours of academic instruction in subjects related to property appraisal or assessment of property from a college or university, or from a nationally recognized appraisal or assessment organization approved by the board; and (3) passed the examination for Tennessee certified assessor as administered by the board. No person will be required to meet the additional registration qualifications required by T.C.A. § 67-5-1514 if the person registered or applied for registration prior to June 30, 2002. The board may, in lieu of the evidence required in T.C.A. § 67-5-1514(c)(2), recognize and accept certain professional designations which are awarded by appraisal and/or assessment organizations on the basis of qualifications at least equal to those set forth in the statute.³ Additional registration requirements are set forth in T.C.A. § 67-5-1514(k). Agent disciplinary rules, renewal procedures and advertising disclaimers are set forth in T.C.A. §§ 67-5-1514(f) and (g).

The following persons are permitted to act, appear and participate as an agent for the taxpayer: (1) attorneys; (2) the regular officers, directors or employees of a corporation or other artificial entity; (3) a certified public accountant where the only issue of an appeal is the valuation of tangible personal property; and (4) any person who holds a valid registration issued by the board of equalization where the primary issue of the complaint, protest or appeal pertains to the grounds set forth in T.C.A. § 67-5-1407.⁴ The provisions of T.C.A. § 67-5-1514 regarding registered agents do not apply in any manner to the representation of a taxpayer by an attorney. Furthermore, no provision in T.C.A. § 67-5-1514 is intended to require that a person must be an attorney, certified public accountant, registered agent with the state board, or otherwise in order to act as an agent for a taxpayer before a county board of equalization.⁵

¹T.C.A. § 67-5-1514(a) and (b). See T.C.A. § 67-5-1514(e) for list of persons who are permitted to represent the assessor of property before the State Board of Equalization.

Assessment Appeals Commission

Reference Number: CTAS-1513

In addition to the powers and duties conferred upon the State Board of Equalization by T.C.A. § 67-5-1501, the State Board of Equalization may by resolution create an Assessment Appeals Commission consisting of not less than three nor more than six members, three members of which shall constitute a quorum for the transaction of business. The State Board of Equalization may delegate to the Assessment Appeals Commission the jurisdiction and duties conferred by law upon the State Board of Equalization to hear and act upon all complaints and appeals regarding the assessment, classification and value of property for purposes of taxation, including, but not limited to, complaints and appeals from assessments made by the Comptroller of the Treasury, complaints and appeals from actions of local boards of equalization, complaints and appeals concerning exemption of property from taxation, complaints and appeals from assessments made by the Division of Property Assessments, and complaints in inheritance tax cases that concern only the valuation of property in the estate.¹

Actions taken by the Assessment Appeals Commission are final. However, within 45 days of any final action taken by the Assessment Appeals Commission, the State Board of Equalization may enter an order upon its own motion requiring a review of the action. In such an instance, the action taken by the Assessment Appeals Commission does not become final until the State Board of Equalization has rendered its final decision in the matter. A party desiring the State Board of Equalization to review an action of the Assessment Appeals Commission must file a written petition with the Executive Secretary to the state board within 15 days of the action of the Assessment Appeals Commission. In the event that the State Board of Equalization exercises its discretion to review any action of the Assessment Appeals Commission, review may be upon the record before the Assessment Appeals Commission or in such manner as the state board shall direct.² If the State Board of Equalization does not exercise its discretion to review a matter heard by the Assessment Appeals Commission, the Assessment Appeals Commission will issue a certificate of assessment or other final certificate of its actions. The certificate is subject to judicial review in the same manner as are final actions of the State Board of Equalization.³

The Assessment Appeals Commission must prepare and maintain records of its proceedings in the form of minutes. The minutes, together with all other papers and records of the Assessment Appeals Commission, are kept and maintained in the office of the Executive Secretary to the State Board of Equalization.⁴

Hearing Examiners

Reference Number: CTAS-1514

The State Board of Equalization is authorized to appoint members of the staff of the Division of Property Assessments to serve as hearing examiners. Hearing examiners conduct preliminary hearings and investigations for the board or the Assessment Appeals Commission regarding complaints and appeals from assessments and classifications, or regarding any other matter for which the board has responsibility by law. Based upon the evidence presented in a preliminary hearing or facts gained in an investigation, the hearing examiner prepares proposed findings of fact and conclusions for the state board or the

Assessment Appeals Commission and notifies each property owner who may be affected by the hearing examiner's recommendation. Unless a party to the appeal objects in writing, the hearing examiner may render a proposed decision. The proposed decision is limited to words and/or figures reflecting conclusions as to the proper classification or valuation of the subject property.¹ Appeals from initial decisions of hearing examiners for the state board must be filed within 30 days from the date the initial decision is sent.² In the absence of an exception to the recommendation of the hearing examiner by either the property owner or the property owner's agent, the county assessor of property or the taxing jurisdiction, the State Board of Equalization or the Assessment Appeals Commission may adopt the recommendation of its hearing examiner as its final decision without the necessity of a hearing before the board or commission. If an exception to the recommendation of the hearing examiner is taken by any of the parties or the State Board of Equalization or the Assessment Appeals Commission does not adopt the recommendation of the hearing examiner, a hearing shall be scheduled before the state board or commission before final action is taken.³

Collection of Evidence and Information

Reference Number: CTAS-1515

The State Board of Equalization and the Assessment Appeals Commission have the power to send any of its members or such other person as it may designate to any portion of the state to obtain information and evidence deemed material to the duties of equalization, and to hear questions, and report to the board or commission as the case may be.¹ The board and the commission also have the power to require the Director of Property Assessments and any member of the Director's staff to submit such facts and reports as may be deemed necessary to enable the board or commission to equalize assessments of property of the various classes and in the different localities of the state.²

Equalization Action by the State Board of Equalization

Reference Number: CTAS-1516

The State Board of Equalization or the Assessment Appeals Commission, on the basis of reports, evidence, or other available information, takes whatever steps it deems are necessary to effect the assessment of property in accordance with the constitution of Tennessee and the laws of this state. The state board by order or rule must direct that commercial and industrial tangible personal property assessments be equalized using the appraisal ratios adopted by the board in each jurisdiction. However, such equalization is available only to taxpayers who have timely filed the reporting schedule required by law.¹

Equalization may be made by the State Board of Equalization or the Assessment Appeals Commission, as the case may be, by reducing or increasing the appraised values of properties within any taxing jurisdiction, or any part thereof. In the event that the state board or the commission deems it necessary to increase or decrease appraised values of properties of any taxing jurisdiction, or any part thereof, in any manner whereby its action affects properties in general rather than individual properties, it is not necessary that the state board or commission notify each individual property owner as provided for in T.C.A. § 67-5-1510. However, notice of the action of the state board or the commission must be published at least once in a newspaper of general circulation within the affected taxing jurisdiction.²

¹T.C.A. § 67-5-1509(a). Note: The constitutionality of T.C.A. § 67-5-1509(a) has been upheld; see *Williamson County v. Tennessee State Board of Equalization*, 86 S.W.3d 216 (Tenn.Ct.App. 2002).

Changes of Individual Classification or Assessment

Reference Number: CTAS-1517

Whenever the State Board of Equalization or the Assessment Appeals Commission, after a county or local board has acted, has reason to believe that an individual assessment of real property or personal property is inadequate, or the classification of such property is erroneous, it has the authority to command the person to whom the property is assessed to appear before the board or commission to show cause why the assessment should not be increased or the classification should not be changed. The taxpayer is entitled to 10 days written notice of the right to appear before the board.¹ The taxpayer is entitled to be heard either personally or by counsel and has the privilege of introducing any competent evidence touching upon the question of the adequacy of the assessment or change of the classification.² Thereafter, the board or commission will determine the amount, if any, that the assessment will be increased or determine the proper classification of the property. The board or commission will reduce its judgment to writing and certify its findings to the proper county officials.³

Certification of Board Action

Reference Number: CTAS-1518

After the State Board of Equalization or the Assessment Appeals Commission has made its determination of the assessment of the property that was the subject of the appeal and complaint, the Executive Secretary to the state board will sign and keep the original copy of the official certificate on file in the Executive Secretary's office. The official certificate will show the description of the property and the assessment as determined by the state board or the commission, as the case may be. The board shall provide written notice of its final actions on appeals and complaints to the parties and to others upon request. Written notice includes notification by electronic means, and the record of actions or notice may be preserved in digital or electronic format.¹

Record of Board Actions

Reference Number: CTAS-1519

The records of all actions of the State Board of Equalization and the Assessment Appeals Commission are maintained for at least 10 years in the office of the Executive Secretary of the board. The records are open to public inspection during regular business hours and any state citizen may request copies. Requested copies of records or documents are sent by first class mail or, upon request, by telecopier. The person requesting the records or documents is required to pay the board the reasonable costs of reproducing and transmitting the copies.¹

¹T.C.A. § 67-5-1513.

Finality of Board Action—Collection of Taxes

Reference Number: CTAS-1520

The action of the State Board of Equalization is final and conclusive as to all matters passed upon by the board, subject to judicial review, and taxes will be collected upon the assessments determined and fixed by the board. Judicial review is not available as to exemptions requiring application to the State Board of Equalization under Chapter 5, Part 2, or as to the proper value, assessment or classification of property, unless the petitioner has first obtained a ruling on the merits from the board or an administrative judge sitting for the board concerning the exempt status, proper value, assessment or classification of the property.¹

¹T.C.A. § 67-5-1511(a).

Penalties and Interest

Reference Number: CTAS-1521

Penalty and interest otherwise due on delinquent property taxes shall not accrue while an appeal of the assessment is pending before the county or state boards of equalization; provided, that the taxpayer, before the delinquency date, either pays the full tax due or the amount the taxpayer would owe based on the taxpayer's good faith claim for relief. The city or county collecting official may decline to accept the disputed portion of tax. Any tax later found to be refundable, or any additional tax due following the appeal, will accrue interest from the delinquency date at the composite prime rate published by the federal reserve board as of the delinquency date, minus two (2) points. On motion of the city or county to whom the tax is owed, the state board of equalization will dismiss the appeal of any taxpayer who fails to pay delinquent taxes that have accrued on property that is the subject of the appeal, or who fails to pay at least the undisputed tax related to a properly appealed assessment. Taxes related to a properly appealed assessment before the county and state boards of equalization, shall not be deemed delinquent if the taxpayer has paid at least the undisputed portion of tax while the appeal is pending. Delinquency penalty and interest postponed under this section shall begin to accrue thirty (30) days after issuance of the final assessment certificate of the state board of equalization and until the tax is paid. T.C.A. § 67-5-1512(b).

Refund of Property Taxes after Final Action

Reference Number: CTAS-1522

When a county has been ordered to make a refund of property taxes pursuant to the final action of a court or the State Board of Equalization or Assessment Appeals Commission, no specific appropriation is required to authorize the county trustee to make the refund. The trustee may make the ordered refund and any interest owing the taxpayer as otherwise provided from any taxes collected for the year or years to which the refund relates prior to the allocation to the various county funds. If the trustee does not have funds collected from the year to which the refund relates, the trustee may make the refund and pay any interest owing the taxpayer from current collections prior to the allocation of revenue to the various county funds. Where a refund plus accrued interest exceeds 1 percent of all property taxes levied for the year in which the refund is due, the trustee may defer the refund for a period of up to three years in equal annual installments, and the deferred amounts shall accrue interest in the manner set forth in T.C.A. § 67-5-1512(c).¹ Pursuant to T.C.A. § 67-5-1512(c), the interest rate on a deferred refund shall increase two points from the date of the deferral 60 days after the board of equalization decision is rendered until the refund is finally paid.

¹T.C.A. § 67-5-1809.

Judicial Review

Reference Number: CTAS-1523

The judicial review provided in T.C.A. § 67-5-1511(a) from final actions of the State Board of Equalization or Assessment Appeals Commission consists of a new hearing in the chancery court based upon the administrative record and any additional or supplemental evidence which either party wishes to adduce relevant to any issue. The petition for review may be filed in the chancery court of the county where the disputed assessment was made or in the chancery court of Davidson, Washington, Knox, Hamilton, Madison or Shelby county, whichever county is closest in mileage to the situs of such property. If the situs of the property is in Knox, Hamilton or Shelby county, then the petition for review may alternatively be filed in Davidson County at the election of the petitioner.¹
