In order for a county to be eligible to receive state funding under the Tennessee Community Corrections Act of 1985, codified at T.C.A. § 40-36-101 *et seq.*, the county legislative body must establish a community corrections advisory board. This board must have at least ten (10) members including at least the following:

- A representative of the county government nominated by the county mayor subject to confirmation by the county legislative body;
- The sheriff;
- The district attorney general;
- A criminal defense attorney residing in the county nominated by presiding judge of the judicial district in which the county is located subject to confirmation by the county legislative body;

- At least three private county residents nominated by the county mayor and the other community corrections advisory board members who serve by virtue of their office subject to confirmation by the county legislative body.

If a municipality participates, a citizen is nominated by the mayor and confirmed by the city council. Any additional members are determined by resolution of the county legislative body. T.C.A. § 40-36-201.

County Bounty Committee

Reference Number: CTAS-1647

The county legislative body may form a committee to administer and implement the provisions of the County Bounty Act. T.C.A. § 38-11-201 *et seq.* If formed, the committee consists of the director of schools or the director's designee, the sheriff or the sheriff's designee and an alliance member for a drug-free Tennessee appointed by the county mayor. This committee reviews the record of prosecutions and convictions for illegal drug trafficking in the county and compiles data to determine whether or not the county is following a pattern of aggressive action to eliminate illegal drug trafficking from within its boundaries. The committee makes a determination regarding what financial incentives are appropriate for the period under consideration and with the approval of the sheriff determines the percentage of funds from goods seized and forfeited from drug-related convictions that will be made available to the county school system for drug education and prevention programs subject to matching funds from county, state or federal governments.

County Sheriff's Civil Service Board

Reference Number: CTAS-1648

Upon adoption of the optional County Sheriff's Civil Service Law of 1974 by a two-thirds majority vote of the county legislative body, the county legislative body selects three people to serve on a civil service

board. These three members must be at least 18 years of age, be residents of the county and cannot hold any elected or appointed office within the county. The term of office is three years except for the initial appointments for one, two and three years to create a staggered system. This board may or may not be compensated at the discretion of the county legislative body. The board adopts a classification plan, determines the requirements of each position and performs other duties specified in this optional law. Some counties have similar boards created by private act. T.C.A. § 8-8-401 *et seq.*
