Student Transfers

Dear Reader:

The following document was created from the CTAS electronic library known as e-Li. This online library is maintained daily by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other e-Li material.

Sincerely,

The University of Tennessee

Student Transfers

Reference Number: CTAS-91

Local school boards may admit pupils from outside their school systems. They may also arrange for the transfer of pupils residing within their systems to schools located outside their districts, and enter into arrangements with other school boards for admission or transfer of pupils from one school system to another. State school funds follow the transfer student into the receiving school system. T.C.A. § 49-6-3104. The receiving system may charge tuition in an amount determined under T.C.A. § 49-6-3003. Where an LEA has created a regional school with a specific focus on science, technology, engineering, and math (STEM), local BEP school funds also follow the student into the LEA to which the student is transferring and no tuition may be charged by the receiving LEA. T.C.A. § 49-6-3104.
