School Continuing Budget

Reference Number: CTAS-98

If the county legislative body has not adopted a budget for the operation of the public schools by July 1 of any year, the school budget for the year just ended continues in effect until a new school budget has been approved. Any continuing budget (the previous year's budget as temporary authority to expend funds until new annual budget is adopted) is not valid beyond October 1 of the current fiscal year for purposes of the local education agency's ability to receive state funds. T.C.A. § 49-3-316(d). Therefore, if a budget has not been adopted by October 1, the state may discontinue the county's funding.
