1.0 INTRODUCTION

1.1 Purpose

This Request for Proposals (RFP) is offered to solicit proposals from qualified companies for the implementation and administration of a Comprehensive Substance Abuse Testing Program (the "Program") for the _________ Department of _________ County, Tennessee (the "Department"), which will ensure compliance with the requirements of the Omnibus Transportation Employee Testing Act of 1991 and the regulations promulgated thereunder, as well as all other applicable state and federal laws. In order to receive consideration, the proposal must address all aspects of such a Substance Abuse Testing Program.

1.2 Proposal Submittal

Sealed proposals (2 copies) will be accepted by the Department no later than (time) _______ (date) _______ at the ______________ Office, ______________, Tennessee 3____. All proposals must be submitted in accordance with the conditions and instructions provided herein. All proposals must remain open for acceptance for ninety (90) days.

1.3 Schedule

RFP released - ____________

Pre-proposal conference - ________________

Amendments to RFP issued - ________________

Closing date for proposal submittal - ________________

Oral presentations - ________________

Evaluation completed and company recommended - ________________

This schedule is intended as a guideline for the timing of various events in this effort. Management requirements and other factors may cause certain of these dates to vary from original intentions. In no event, however, will the deadline for proposal submittal be changed.

2.0 GENERAL CONDITIONS

2.1 Conformity with RFP

All proposals must conform with the requirements presented in this RFP. Proposals not in conformity may be rejected. Exceptions to any requirement must be clearly noted in company's response.
2.2 Uniformity of Proposals

To facilitate evaluation, all proposals must be submitted in a uniform format as described in Section 4 of this RFP. ALL PROPOSALS SHALL INCLUDE COMPLETED FORMS WHICH ARE FOUND IN APPENDIX III. FAILURE TO COMPLETE THE REQUIRED FORMS COULD RESULT IN PROPOSALS BEING REMOVED FROM THE COUNTY'S CONSIDERATION.

2.3 County Profile

It is estimated that there are approximately _____ employees who are required to possess a commercial driver's license (CDL) within the Department, and approximately _____ employees throughout the County who are required to possess a CDL. Only those employees within the Department will be involved in the Program at this time, but the company must agree to allow all employees of the County to be included in the Program upon request.

2.4 Additional Information

All inquiries or requests for information relative to this RFP should be directed to _____________, ______________ in _______ County, Tennessee. His/her phone number is (__) ____-____.

2.5 Performance Bond

At the County's request, the selected company may be required to furnish a performance bond or other security as a guarantee of performance. All proposals must contain a statement of the company's willingness to furnish such security in the event the company receives the contract.

2.6 Contract

Although _____________ County may not agree to execute the company's standard contract, the company's standard contract for all items included in this RFP must be included with the proposal. The company should indicate that this RFP and the company's written material will be included as part of the contract. The contract shall be terminable at the option of the County upon ____ days' notice without cause. If the contract does not include all aspects of the Program, the company must so indicate and state what items are not included and the reason those items are not included. The contract shall be governed by and enforced in accordance with the laws of the State of Tennessee.

2.7 Non-Collusion

Each proposal shall contain a company affidavit, a copy of which is enclosed in Appendix II.

2.8 Right to Reject Proposals

___________ County reserves the right to reject any or all proposals, to waive technicalities or informality and to accept any proposal deemed to be in the best interest of the County.
County reserves the right to seek additional or new proposals and to waive informalities and minor inequities in proposals received.

2.9 "One Company Solution"

County intends to purchase all components of the Program from one company. A company may use subcontractors to provide the various services. However, the company submitting the proposal shall be fully responsible for all phases of the Program and shall provide a surety performance bond for the entire contract.

2.10 Liability and Insurance

The selected company will defend, indemnify and hold harmless County, its officers employees and agents from any and all costs (including reasonable attorneys' fees), damages, claims, losses, lawsuits, demands, settlements, and other expenses of any kind arising from the performance of the contract or the failure of the company to implement and administer the Program in accordance with all applicable state and federal laws, rules and regulations, including but not limited to breach of confidentiality, wrongful disclosure or misuse of information to the extent that such are caused by the negligence or willful acts of the company, its employees, agents or subcontractors. The company shall maintain in force, throughout the term of the contract, liability insurance in the minimum amount of one million dollars ($1,000,000.00) covering its potential liability under this provision, which insurance policy shall name the County as an additional insured. The company shall also maintain worker's compensation insurance as required by applicable law.

2.11 Price

Prices quoted in the proposal shall be firm prices and not subject to increase during the term of any contractual agreement arising between County and a company. The company should indicate its willingness to reduce the prices quoted to County herein should the price quoted for any item be reduced by the company or its subcontractors during the term of the contract.

Prices should be submitted based upon a one-year renewable contract and based upon a three-year contract.

2.12 Implementation Schedule

Companies must specify in proposals the date on which the Program will be fully implemented, as well as a schedule for implementation of each component of the Program.

2.13 Company Commitment

Companies must state their commitment to providing a comprehensive plan which will provide the County with all needed assistance with all aspects of the Program throughout the term of the contract.

2.14 Program Responsibility
Notwithstanding the contents of the RFP, it is the responsibility of the company to verify the completeness, accuracy, and suitability of the company's proposal to meet the requirements of the Omnibus Transportation Employee Testing Act of 1991, and the regulations promulgated thereunder, in __________ County.

Any additional services or equipment required for full compliance with the law which are not included in the company's proposal, even if not specifically mentioned herein, shall be provided by the company without claim for additional payment. It is understood that a comprehensive Program which meets all requirements of the law is required. The successful company will be obligated to provide a system which meets all guarantees in its proposal for the price contained therein.

2.15 Rights to Submitted Material

All proposals, responses, inquiries, or correspondence relating to or in reference to this RFP, and all reports, charts, displays, schedules, exhibits, and other documents provided by companies will become the property of ______ County when received.

3.0 SELECTION PROCESS

The selection of a Program by ______ County will involve both objective and subjective elements. The process to be used to make this selection is outlined below.

3.1 Request for Proposals (RFP)

This RFP is intended to provide interested companies with uniform information concerning ______ County requirements for a comprehensive Program. In responding to this RFP, COMPANIES MUST ADHERE TO THE INCLUDED FORMAT AND USE THE REQUIRED FORMS.

3.2 Evaluation Criteria

The following elements will be reviewed by ______ County in evaluating all proposals:

- Company credentials, history and experience
- Credentials, history and experience of subcontractors
- Qualifications of all personnel providing services under the Program
- Policy development assistance
- Collection site, equipment and technicians
- SAMSHA/NIDA laboratory
- Method of transportation of samples to laboratory
- Qualifications of Medical Review Officer (MRO)
- Recommended testing procedures
- Methods for ensuring reliability of testing methods and results
- Methods for ensuring confidentiality
- Availability of after-hours testing
Supervisor training
Recommendations for reasonable suspicion testing
Employee awareness programs
Assistance with Employee Assistance Programs (EAP)
Employee consultation services
Random selection program
Cost of testing for each employee and method
Timetable for implementation of Program
Availability of support
Recordkeeping services

The relative importance of each factor is a management judgement and will include both objective and subjective analysis.

Proposals will be evaluated against the specifications presented in the RFP. ________ County reserves the right to eliminate a proposal for failure to comply with the requirements of the RFP.

3.3 Oral Presentations

If oral presentations are desired by ________ County, the presentations shall be arranged in advance in order to most effectively accommodate the scheduling requirements of ________ County.

The following limits shall be observed by companies during oral presentations:

The oral presentation may not be considered as a "negotiation session". Only material contained in the original formal written proposal will be considered in any subsequent evaluation procedures.

Companies shall observe time limitations imposed prior to the oral presentation. Presentations will not exceed two hours in length.

3.4 Selection

Following the evaluation process described above, ________ County will make all decisions regarding selection of finalists, contract negotiation and the award of the contract. The decisions of ________ County will be considered final.
4.0 PROPOSAL FORMAT

Proposals should be written in a concise, straightforward and forthright manner, and superficial marketing statements and materials should be avoided. Proposals should be organized in the following manner, using forms contained in the appendices where appropriate:

1. Statement of company credentials, history and experience (list home office and local office locations, as applicable).
2. List of six (6) organizations currently under contract with the company for substance abuse programs, with complete mailing address, telephone number, name of contact person, and length of time services have been provided, for each organization listed. Please indicate whether these programs are federally-mandated testing programs.
3. List of all subcontractors to be retained by the company in connection with the Program, with complete mailing address, telephone number, and name of contact person for each subcontractor, together with the services to be provided by the subcontractor.
4. Credentials, history and experience of all subcontractors.
5. Medical Review Officer credentials.
6. Credentials of other personnel who will be involved in the Program.
7. Description of drug testing program and procedures.
8. Description of alcohol testing program and procedures.
9. Description of alcohol testing equipment (EBT).
10. BAT certification of alcohol testing technicians.
12. Method of transportation of samples to laboratory.
14. After-hours testing facilities.
16. Quality control measures employed.
17. Precautions employed to ensure confidentiality.
18. Recordkeeping procedures and services.
19. Employee awareness programs.
20. Supervisor training.
21. Employee education and consultation services.
22. Assistance provided with development of substance abuse policy.
23. Support services provided.
24. Itemized cost of each service to be provided under the Program, including cost per test for both drugs and alcohol for both positive and negative results. Itemized costs must be broken down into recurring costs and one-time costs (Appendix I).
25. Timetable for implementation of Program.
27. Bank references.
28. Any additional services provided which are not listed above.
29. Financial statements or other documentation which would assure the County that the company will be in business three years from now.
